"NYCO was very attentive to all our needs. Their responsiveness was greatly appreciated by both our technical and commercial teams" commented Nourihan ABOU TRIA, Maintenance Buyer at HOP!.

"As part of a global contract, HOP! becomes one of our major partners. After selecting some NYCO hydraulic fluids and greases, we now have the pleasure of supplying HOP! with our Turbonycoil 600 for the next ten years for their fleet. We very much enjoyed working with HOP! teams, especially with Nourihan Abu Tria and Philippe Monnier. We thank you for your trust and your professionalism." Highlighted Hélène Prinnet, Sales & Marketing Manager for Civil Aviation at NYCO.

Approved against demanding specifications, including SAE AS 5780 SPC Class and MIL-PRF-23699 STD Class, Turbonycoil® 600 has received certification for use by all major engine manufacturers. It has logged more than 30 years of experience in jet engines of military and commercial aircraft.
