

## NYCO and Icelandair celebrate 15 years of partnership

Paris, June 18<sup>th</sup>, 2025,

NYCO and **Icelandair**, a leading airline connecting Iceland, Greenland, and both sides of the Atlantic, celebrate 15 years of successful partnership. **Icelandair** was among the first airlines to place its trust in TURBONYCOIL® 600, a synthetic standard turbine oil, first for the lubrication of its Boeing fleet, and now with its Airbus aircrafts.

In the words of **Icelandair** *"Using NYCO products have been very succesful for Icelandair. Quality is up to standard, pricing have been fair with great service and reliable delivery."* commented Sigurður Óli Gestsson Director, Supply Chain of **Icelandair**.

*"We are proud of celebrating 15 years of partnership with **Icelandair**. We deeply value their long-term trust in NYCO and we thank them for their continuous support. Since the beginning of **Icelandair's** transition to an Airbus fleet, we have brought our support and a portfolio of lubricant solutions for their new aircrafts. We look forward to continuing this successful partnership for many more years to come."* said Grégoire DUTEIL, Sales & Marketing Manager – Civil Aviation at NYCO.

Approved against demanding specifications, including SAE AS5780 SPC Class and MIL-PRF-23699 G STD Class, TURBONYCOIL® 600 is qualified by all major engine manufacturers (General Electric, Pratt & Whitney, Pratt & Whitney Canada, Rolls-Royce, Safran Aircraft Engines, Safran Helicopters Engines, CFMI, ...). It has logged more than 40 years of experience in jet engines of military and commercial aircraft.
